Flinders University Enrichment Program

Last Wednesday Mr Lindner took a group of Year 11 students to Flinders University to find out more about courses in their area of interest. Students were split into groups and mixed with students from several other schools. The uni visit was extremely beneficial as it helped me to decide what path I'd like to take. This is a question that most students struggle to answer so it was good to speak to current and past students about the courses they are in and what uni life is like. The students did not glorify university but discussed the ups and downs so we gained a true understanding of what it is really like. The mini lectures I sat in on were Education, Archeology, Criminology, Tourism and Digital Media. All these sessions were informative and interesting.

SRC Activities

SRC recently held a casual day and sausage sizzle to raise funds for cancer.

Future plans include:

- working with the Renmark Council to organise Renmark's first ever Colour Run on the 24th September to raise money for mental health
- entering a Renmark High School team in Relay for Life. This week the group held a cake stall to fundraise for the team
- bringing about a return of the Spring Carnival on October 20th.

Australian Business Week

Parents and friends are invited to celebrate our Year 11 ABW achievements and successes on Friday 7th July.

Trade displays are open to the public in the library from 11:05am to 12:10pm. Screening of video commercials will be held at 11:05, 11:20, 11:35 and 11:50am in the Drama room.

Presentations will be held under the COLA at 1:50pm.

Research Project Complete! Jayden and Tarnjit test the robotic arm Sukraj designed and built for his Research Project.

Pammy Main our PCW and helpers Kiara and Jake, provide a barbeque breakfast for students every week.

Week 9, Term 2
Friday, June 30
2017

Upcoming events

Week 10

		Year 12 Mid Year Exams ABW
Mon	3/7	Bell Shakespeare's School Performance Troop visit
Tues	4/7	Year 10 Advanced PE Camp
Tues	4/7	Engineering and Science Challenge
Wed	5/7	Year 9 Advanced PE Camp

From Pammy

As I write this the sun is shining and it is a beautiful day in Renmark. The mornings are so cold but then the sun shines and life seems bright again and I feel I can face anything. How blessed we are to live in the Riverland. Each morning driving to school there are no traffic lights to contend with just the birds and the mallee scrub. I take a lot of the beauty of the Riverland for granted but occasionally I pull myself up and feel overwhelmed with gratitude that I am lucky enough to live and work in a beautiful part of the world. I am so grateful for all of it so my motto at the moment is: 'start each day with a grateful heart.' I am working on it. Have a wonderful week and keep smiling.

Bats Performance

The play Bats was performed on the 21st and 22nd of June at the Chaffey Theatre by the Year 9/Stage 1 School Production class.

Wow, where do I start? From day one of this production it has been amazing. It has been insane and confusing and scary as hell but by some miracle of drama, we pulled it off. These last 18 weeks have been hard work for all involved but I at least will never forget the memories of the productions I've been involved in. Mrs Matulic has honestly given me more than I could ever dream of repaying. My best friendships have been forged in the hot mess that is our production class. We may have started as a hot mess, but ended with a bang! A bang that will ring in my ears for the rest of my life. Thank you so, so much for giving me opportunities like the ones I've had here. Mrs Matulic, along with the rest of the crew built something amazing from a script, some elbow grease and a load of hope.

'Til next time

Jai Boon (Nosher)

Memories are made of this
