## Brothers Grimm Performance

In preparation for The Arts Expo, Year 9, 10 and Year 11 Drama students have been working hard rehearsing the play 'Brothers Grimm Sepctaculathon' during class times, and on Sundays. Learning lines and creating an on-stage prescence has been extremely enjoyable and challenging. The play we have rehearsed is comedic and something for the family to come along and watch. The characters of the play are typical and familiar fairytale characters. To put

on a costume and assume the roll of the character has been a fun task! This may be my last performance, so putting in the effort and being a star on the night has been a priority to me. Come along and watch out play in the Drama Room at 6:00pm for the Arts Expo Performance on Tuesday 28th November.

## Digital Media Exhibition

Next week the Year 9 Digital Media students will be exhibiting their 'Sunnies Selfies' at the Chaffey Theatre. This exhibition is a compilation of illustrated digital artworks showcasing colourful self-portraits with vibrant backgrounds. The theme of this exhibition is derived from Mrs Long and Mrs Atsaves' attendance to the MakeIT Conference

in Sydney and being inspired by graphic artist Theresa Jackson. The exhibition runs from the beginning of next week, 26th of November, until the 14th December in the Chaffey Theatre foyer. Come and check it out!

## HASS Camp a Highlight

The Year 9 HASS camp was once again a great success despite some cold and wet November weather. Accompanied by Mrs. Heuzenroder, Mr. Watkinson and Mr. Turk, the group left for Adelaide last week for a three day camp full of learning and fun.

Day one included a trip to Parliament House and the Adelaide Magistrates Court. While at the court, students were able to attend a number of hearings and trials. In State Parliament the students met with our Local Member for Chaffey – Tim Whetstone, toured the buildings and sat in on Question Time. A highlight was being officially welcomed by the Speaker of the House and the Sergeant at Arms officially warning Jake for his poor posture.

That night, after enjoying the facilities of the Adelaide Shores Caravan Park and a barbecue dinner, the students

participated in a 'Remark High has Talent' competition which was a lot of fun. Students were amazed at the telepathic skills of Mr. Turk and Mr. Watkinson, but it was a Christmas themed dance by Ella, Zahli, Yasmin and Lily that stole the show.

Thursday was another fun-filled day with the Amazing Race from Adelaide Oval to the State Library, where a blistering time of 31 minutes was set by Courtney, Jade, Casey, Chelsey and Layla. A clear highlight of the trip was our visit to the State Library, where we looked at WW1 sources including original letters from the trenches, photos and clothing worn by soldiers and nurses on the Western Front.

After some lunch at the Myer Centre Food Court students burnt off some energy at Bounce, where they played dodgeball, parkour and slam dunk.

Connor and Brayden put on a show with some amazing 'flipping' skills. Unfortunately, the roof was too low for Mrs Heuzenroder, who didn't get the chance to show the boys how it's done.

The day finished with an all-you-can eat dinner at Fresh Choice Restaurant. Connor tried his best to beat the long standing record of 13 plates of food and Inder is still looking for some strawberry sprinkles to put on his soft-serve ice-cream. After dinner it was off to AMF Cross Roads for Bowling, Laser Tag and some fun in the arcade. Angelo was the big winner on the night winning an I-Pad Mini on one of the skill testing machines.

Overall, it was a great camp and fun was had by all!

## Learning Cake Decorating from the Experts

On Tuesday of Week 6, students from Year 10 Oh So Skilful with Food class had an opportunity to work with Carol Follett and Kylie Duncan. Carol is a professional cake decorator who demonstrated various cake decorating

techniques to our students. These techniques included covering the cake with fondant, royal icing decorations and making creative pieces using fondant. Students engaged in this session well and individually decorated

cupcakes with very creative designs.

**Narinder Riar**  
Year 10 Home Economics Teacher

Thank you Carol Follett and Kylie Duncan for visiting and demonstrating cake decorating techniques to the students
